## **FARM VISIT PROCEDURE**

**Dr Balai Chandra Dutta** 

https://sites.google.com/view/drbalaichandradutta/home

> Know your Job role in the FARM VISIT SOP **Before Start** 

company first

Basic Idea of Visit is to start Age wise; Chick farm to visit first, gradually to older birds & Shed Ready Farm at last – to avoid spread of infection unknowingly

Clear Idea about Where to go, whom to meet & when to meet?

> Planned about Farmer wise **Objective in mind** 

> Mentally & physically ready to start the day

- > Vehicle is ready
- Kit is ready
- Let's Start

**On Arrival** 

PARK your
VEHICLE Outside
BEFORE
ENTERING
into a FARM

- ➤ Check the Presence of full Farm Fencing
- ➤ Check the Presence of well maintained Entry Point Footbath with Disinfectant

## **Before Entry**

#### **After Entry into Farm Area**

## TALK TO THE FARMER with PATIENCE HEARING about:

- ➤ The Farm & Birds in general
- > Feed Consumption
- > Weight Gain
- ➤ Mortality, if any
- ➤ Issues relating to last visit
- Other issues as may be planned for the day

**ACTIVITY** of Birds considering the Season & Time of the Day

- Alertness
- Feeding Activity
- Drinking Activity

#### **APPEARENCE** of Birds

- Colour of Comb
- Colour of Shank
- Eyes

#### **VENTILATION** in Farm

 Air Movement from one side of the shed to other side is there?

**SPACE** allowed per bird looks Optimum with respect to

- The Age
- Sufficient for the Targeted Body Weight

#### **LITTER Condition**

- Dry or Wet
- Thick & Soft or Caked
- Ammonia Smell Present or Not

#### **STOOL** Character

- Normal Shape or Soft
- Colour
- Feed particles present?

#### **DRINKER Check**

- No as per Birds present
- Height as per chick's height
- Distribution
- Cleanliness of Drinker
- Water level in Drinker
- Sanitizer used or Not
- Leakage

#### **FEEDER Check**

- No as per Birds present
- Height as per chick's height
- Distribution
- Cleanliness of Feeder
- Filling Empty or Dumping?
- Grill & Cone used or Not?

Any Complain by Farmer about Bird's Health or Feed Intake OR any abnormality as seen during your inspection may be Checked & Scrutinized thoroughly comparing the same from standard

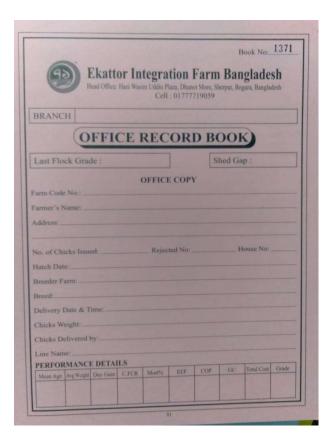

Post-mortem of all dead birds

25-10-2020

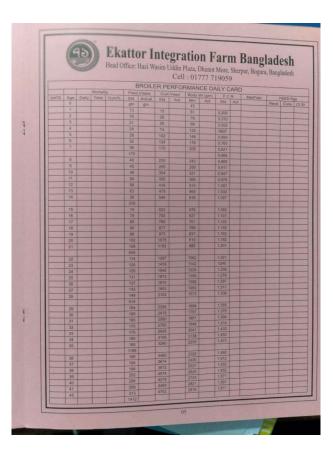

Dr B C Dutta
